PROFESSIONAL EXPERIENCE

Moisés Bittán is a distinguished professional whose businesses, managerial and guild career is widely recognized in Venezuela and the Andean region.

He served as a manager in various positions during the first years of his career, becoming an outstanding treasurer in a leading company in the Venezuelan textile sector. During this period, he acquired skills in the financial and corporate area. Later, he was a legal representative and shareholder of various companies in the logistics, marketing of mass consumer and real estate products, acquiring entrepreneurial skills that have given him a meritorious performance in the tertiary sector and financial positions, this period remarks a stage in his upward professional career.

As a result of his performance and his call of service to the community, Mr. Bittán was involved in the trade union activity as a member of various Boards of Directors of Business Chambers and other entities whose scope transcends the national level. These occupations led him to found a firm focused on financial and international business development that has partnerships in several countries.
